The Practical Tutor Emily Meyer, Louise Z. Smith

In the classroom, the workplace, and the home, more and more teachers, professionals, teaching assistants, peer tutors and parents have need of a practical, hands-on guide to helping their students, associates and teen-agers improve their composition skills. Designed to meet the needs of those who lack formal pedagogical training in composition, *The Practical Tutor* is an invaluable tool for writers at various levels in both formal and informal educational settings. The book alerts its readers to issues that frequently arise in the writing process, explores typical writing problems and their causes, summarizes recent research and thinking in the field of composition, and suggests strategies for helping writers overcome their difficulties. By analyzing samples of writers' compositions, and by including sample dialogues between tutors and writers, the book suggests, in the most practical terms, how to formulate questions that will spur writers to make their own corrections, and how to help them write critically and independently. Appropriate as both a course text in the training of peer tutors, or as a reference book for home or office, *The Practical Tutor* includes exercises and bibliographies for getting acquainted with writers, helping them generate ideas, shape essays, master basic writing mechanics, and even use computers to improve their work.

From reader reviews:

Bruce Benedict:

Within other case, little people like to read book The Practical Tutor. You can choose the best book if you like reading a book. Given that we know about how is important some sort of book The Practical Tutor. You can add expertise and of course you can around the world by the book. Absolutely right, mainly because from book you can know everything! From your country until finally foreign or abroad you can be known. About simple matter until wonderful thing you may know that. In this era, we can open a book or perhaps searching by internet product. It is called e-book. You should use it when you feel uninterested to go to the library. Let's examine.

George Rodriguez:

Here thing why this kind of The Practical Tutor are different and trusted to be yours. First of all studying a book is good but it depends in the content of it which is the content is as delightful as food or not. The Practical Tutor giving you information deeper as different ways, you can find any guide out there but there is no book that similar with The Practical Tutor. It gives you thrill reading through journey, its open up your own personal eyes about the thing which happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. For anyone who is having difficulties in bringing the paper book maybe the form of The Practical Tutor in e-book can be your alternative.

Anita Sizemore:

Information is provisions for folks to get better life, information these days can get by anyone from everywhere. The information can be a information or any news even a huge concern. What people must be consider while those information which is inside the former life are challenging to be find than now is taking seriously which one would work to believe or which one the particular resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take The Practical Tutor as the daily resource information.

Julie Berkey:

E-book is one of source of expertise. We can add our knowledge from it. Not only for students and also native or citizen have to have book to know the change information of year to year. As we know those books have many advantages. Beside we add our knowledge, can also bring us to around the world. With the book The Practical Tutor we can acquire more advantage. Don't one to be creative people? To be creative person must want to read a book. Simply choose the best book that suited with your aim. Don't always be doubt to change your life at this time book The Practical Tutor. You can more attractive than now.
