**When It Rains, It Pours (The Unlikely Adventures of Nogi & Monjo) (Volume 1)** Chatrin Pandrya

The Unlikely Adventures of Nogi & Monjo wants to be the most reasonable guide to survive unreasonable situations! Raising children is not easy. Raising GOOD children is not easy. But one thing parents sometimes forget, growing up is equally hard. Maybe harder. Today we live in such a complex world, with so many conflicting values and ideas. It can be very confusing for little souls who can't even decide who's scarier: the monster under their bed or the school bully. We believe some values are gold. Values like honesty, perseverance, open-mindedness, self-discipline, personal responsibility and caring. And we believe no child is too young to learn these. Not when they're introduced with beautiful pictures and moving stories about an adorable little dragon and his princess-astronaut-pastry chef companion.
