On the Road with SeeYa (Volume 1) SeeYa Biankus

Within these pages are stories told from a horse's point of view, from the horse's mouth if you will. The horse is simply named SeeYa. She will take you with her on her way to the top of the northwest barrel racing world, through the laughter and tears, to her retirement from the sport and her new career of teaching children and of course, human training. You will meet famous people and share in the joy of the win and the sadness of loss. She will let you into her thoughts and her heart and share with you how the four legged people of the world view their environment and their humans.
