Another beach, another billionaire, another chance at unexpected love on the sun-washed shores of Barefoot Bay!

Nathaniel Ivory is known in the tabloids as "Naughty Nate," and this son of a huge, wealthy family that's often referred to as "American Royalty" has done everything he can to earn that nickname. But Nate is determined to change all that through his new position as the manager of the minor league baseball stadium and team that he and his friends are launching in Barefoot Bay. All he has to do is avoid even a hint of scandal.

But then he meets Liza Lemanski, an arresting and irresistible woman who makes some claims about his past that rock him to the core. Liza maintains that Nate has a son who is a result of a fling he had with her best friend, who died in an accident. All he has to do is give up his child to save himself from yet another scandal, but suddenly Nate is looking at life differently. As he and Liza dig to find out the truth about Dylan's father and mother, their attraction turns to fire and, without a doubt, someone is going to get burned.

The Barefoot Bay Series is really several mini-series all set on one gorgeous island. Every single book in the series can be picked up and enjoyed whether you've read none, some, or all of the others. The complete series consists of the four original books that launched the series, followed by a trilogy of Billionaires, a trilogy of Brides, and a prequel plus trilogy of Undercover stories. This way, readers can either enjoy a long series, or just sink into one of the trilogies for a shorter time commitment. There are a few boxed sets and free "first in trilogy" options so it won't cost too much to spend many days (and nights!) in Barefoot Bay. And there will be more next year!
