The Oxford Handbook of American Philosophy (Oxford Handbooks)

Cheryl Misak

The Oxford Handbook of American Philosophy (Oxford Handbooks) Cheryl Misak

Cheryl Misak presents the first collective study of the development of philosophy in North America, from the 18th century to the end of the 20th century. Twenty-six leading experts examine distinctive features of American philosophy, trace notable themes, and consider the legacy and influence of notable figures. This will be the first reference point for future work on the subject, and a fascinating resource for anyone interested in modern philosophy or American intellectual history.
