**Toy Monster: The Big, Bad World of Mattel** Jerry Oppenheimer

An eye-popping, unauthorized exposé of the House of Barbie

From Boise to Beijing, Mattel's toys dominate the universe. Its no-fun-and-games marketing muscle reaches some 140 countries, and its iconic products have been a part of our culture for generations. Now, in this intriguing and entertaining exposé, *New York Times* bestselling author Jerry Oppenheimer places the world's largest toy company under a journalistic microscope, uncovering the dark side of toy land, and exploring Mattel's oddball corporate culture and eccentric, often bizarre, cast of characters.

Based on exclusive interviews and an exhaustive review of public and private records, *Toy Monster* exposes Mattel's take-no-prisoners, shark-infested corporate style. Throughout this scrupulously reported, unauthorized portrait, you'll discover how dangerous toys are actually nothing new to Mattel, and why its fearsomely litigious approach within the brutal toy business has helped their products dominate potential rivals such as Bratz.

- Introduces you to the larger-than-life personalities that have shaped Mattel's eccentric world
- Offers an inside look- from an experienced author-at the scandals that have been a part of this iconic company
- Jerry Oppenheimer is also the author of *Madoff with the Money*, an in-depth look at Bernie Madoff the man and his billion dollar scam

Engaging and accessible, *Toy Monster* shows you why today's toy business isn't always fun and games.

#### Brandon Phelan:

Reading a reserve tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or perhaps their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some study before they write with their book. One of them is this Toy Monster: The Big, Bad World of Mattel.

#### Shaun Richards:

People live in this new time of lifestyle always aim to and must have the free time or they will get lot of stress from both way of life and work. So , once we ask do people have time, we will say absolutely of course. People is human not a robot. Then we inquire again, what kind of activity do you have when the spare time coming to an individual of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, typically the book you have read will be Toy Monster: The Big, Bad World of Mattel.

#### Donald Fujita:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Toy Monster: The Big, Bad World of Mattel can make you truly feel more interested to read.
