From Book 1: Audiobook out now!

Detective Lara Mendes's hard work pays off when she finally gets to join the homicide detail. There's only one catch; she has to partner up with a cop no one wants to work with.

John Gallagher is a veteran homicide detective who wants nothing more than to work alone. When the Lieutenant partners him with Lara Mendes, his first reaction is to ditch her but a call comes in about a body on the river bank and the rotation says they're up.

What they find are human remains, mutilated and partially devoured. Their investigation reveals a killer stalking the city with a pack of vicious, feral dogs. And the suspect believes he is a werewolf.

But this is Portland, where crazy bastards outnumber normal ones ten to one. Except there's another catch. The crazy werewolf guy? He isn't crazy...

Author's note: Bad Wolf is my first novel and remains a favourite. This free full-length novel is the first in the Bad Wolf series about two homicide detectives trying to stop a monster. A murder mystery and police procedural, it's premise is simple; cops versus werewolves. I had an absolute blast writing this series. Now that's it's done, I miss these characters. The books, in order, are:

- 1 Bad Wolf
- 2 Pale Wolf
- 3 Last Wolf

This free book is the gateway to a world of monsters, gritty detectives and the werewolves that haunt the moonlit night.
