Mind Over Math: Put Yourself on the Road to Success by Freeing Yourself from Math Anxiety

Stanley Kogelman, Joseph Warren

"Mind Over Math" evolved from a workshop program developed by the authors for business and professional people, as well as students. Using a friendly, informal style, they debunk "math myths," explore the roots of math anxiety, and demonstrate that doing math is not really so different from any other skill.

Reinforcement is provided in a section of math practice.
