Ember Perry had no idea when she healed Alex that he would change the shape of her life. He makes her feel beautiful and desired, instead of feeling like a freak. She'll do whatever it takes to be with him—even if it means hiding the relationship from her parents. But Alex knows Ember is hiding something else, and asks the kind of questions she can't answer. How can she divulge the grotesque side of her nature without losing him?

Alex isn't the only one asking questions. Ember has put her family in jeopardy, and the one person she thinks she can trust the most is getting closer to the real truth. The revelation of Ember's biggest secret is the one thing that could make her lose everything. Because in nature, there is give and take. Darkness and light. Life and death. And when Ember gives people the gift of health, she has to take something from someone else.

Blood.

Watch for Tribe 3: Patriarch, the next book of Audrina Cole's YA Paranormal Romance novella serial, coming in August, 2014.
