Adam Murphy is a Hollywood screenwriter who has clearly lost his way. His wife, Jess, is a Los Angeles publicist who just lost her job. With the bills mounting and nowhere to turn in the City of Angels, Adam takes a chance on a complete life reboot – taking a job in Seattle at a billion-dollar, Fortune 500 technology behemoth and bringing his family along for the ride. While working at The Company is a gloriously heady, benefit-laden playground for today’s smartest minds, Adam quickly realizes he has descended into a foreign land where the language, customs and politics will either make him stronger or cause a meltdown of epic proportions. Faced with a ‘win or fail’ attitude, Adam must find a way to deliver an innovative new product, defeat his political nemesis, align with a mysterious Company founder, and save his wife from a weather-induced depression all before The Company finds out he has no idea what he’s doing. Inspired by the unbelievable real events that go on behind closed doors of America’s largest companies, and bolstered by a warm-hearted, humorous look at one family’s fight against a Stepford-like culture, RED BANG will take you on a hilarious journey into the ridiculous hive mind of today’s tech giants.
