Song of the Earth

John R. Dann

Song of the Earth John R. Dann

In John R. Dann's thrilling and romantic prehistoric saga, *Song of the Axe*, the tribe's chieftain was called Grae, after a famous ancestor. Now Dann returns to tell the saga of the wanderings of one prehistoric tribal family over several generations, always led by that famous, original Grae, and by his children.

The powerful daughters of River Woman saved young Grae from a flooded river after a volcano erupted and destroyed their tribal home. Then they made him chief, but that's almost the last thing they agree on before the tribe splinters.

Grae leads the main group out of Africa ever northward, into central and eastern Europe, always searching for safety and a better life. Challenged by truly monstrous evil tribes, but guided by spirits, they survive. It takes three generations, and three chieftains named Grae, before the tribe comes to rest. Their story is an adventure on the grandest scale, full of dangers, romance, and beguiling mystery in an exotic setting. A rich and complex story told with simplicity, authenticity, and vigor, *Song of the Earth* is a worthy companion to *Song of the Axe*.
