Strategic Hospitality Human Resources Management

Melvin R. Weber, Dori Finley Dennison

Strategic Hospitality Human Resources Management Melvin R. Weber, Dori Finley Dennison
The first human resources text tailored to the hospitality industry.

Strategic Hospitality Human Resources Management, 1e is a groundbreaking new textbook exploring human resource management in the unique environment of the hospitality industry. Weber and Dennison provide a solid grounding in human resource functions and examine the skills hospitality managers require to implement an effective human resources program. Chapters illustrate how human resource decisions are key to successful hospitality operations and help future managers form effective human resource strategies. Introductory chapters provide context and background information in the human resources field while subsequent chapters develop specific skills and strategies that can be directly applied in hospitality management.

Teaching and Learning Experience

This program will provide a better teaching and learning experience—for you and your students. It provides:

- **Strategies for successful management:** Chapters take a strategic approach to human resources management.
- **Practice and review tools:** Every chapter includes questions and exercises to help students check their learning and truly master chapter topics.
- **Effective resources for further learning:** Extensive references and resources encourage further exploration of chapter topics.
