The Right Touch: A Read-Aloud Story to Help Prevent Child Sexual Abuse (Jody Bergsma Collection)

Sandy Kleven

The Right Touch reaches beyond the usual scope of a children's picture book. It is a parenting book that introduces a very difficult topic--the sexual abuse of young children. This gentle, thoughtful story can be read aloud to a child by any trusted caregiver.

In the story, young Jimmy's mom explains the difference between touches that are positive and touches that are secret, deceptive or forced. She tells him how to resist inappropriate touching, affirming that abuse is not the child's fault.

The introduction provides valuable information about sexual abuse and guidance on what to do if your child experiences an abusive situation. Jody Bergsma's gentle illustrations soften the impact of this story; yet this portrayal of a dangerous situation is very realistic. If your child is old enough to sit still and listen to a story, he or she is old enough for *The Right Touch*.

Used by parents and teachers nationwide to help children avoid sexual abuse, this book won the 1999 Benjamin Franklin Parenting Award. It was a finalist for the Small Press Award and was also "Selected as Outstanding" by the Parent Council, Ltd.
