Catch Me If You Can...: A Story of Alien Abductions and Culprit Plunder Thought Continuum

i could feel pulses of energies emanating from the light ... tutoring my being ...

coercing measure for measure my breath and beat for beat my heart ...

a corporeal bypass keeping kilter of my anatomy against the siege of my endocrine system ...

preventing me from going into shock ...

which was very important ...

i knew that ...

i knew that in the same astonishing way that i knew where i was ... who these people were ... what the blue lights did and ...

what was about to happen next ...
