Lets say you make around \$40,000 a year after tax. Imagine that on top of this you are making enough side income monthly to cover your expenses, and all this PASSIVELY.

That is exactly what this book is about. I will show you real examples, no get rich fast scheme that will make you passive income. This means you are doing little to no work at all and still getting income that will cover your groceries, transportation and other costs.

That \$40,000 that you make after tax, you get to use on other things, other luxuries. Or even save for bigger purchases.

This book is divided into 3 parts, the first being the easiest to implement. Then I take it a step further and teach you some passive income streams that are a bit harder to implement but are much more rewarding. And finally we dig into some of the harder ways of implementing passive income strategies, the flip side - you can make a lot of money with these strategies.

Lets take the first step to true financial independence.
