Problem Finding, Problem Solving, and Creativity (Creativity Research) Mark A. Runco

Many individuals studying problem solving consider creativity a special type of problem solving. On the other hand, many individuals studying creativity view problem solving as a special type of creative performance. What is truly the role of creativity in problem solving? What is the role of problem solving in creativity? And how are problem solving and creativity related to problem finding? This book addresses these questions, and fills an obvious need for an overview of the research on problem finding.
