The Rhythm of the Road: A Novel Albyn Leah Hall

The mesmerizing debut novel about driving trucks, loving music, and growing up.

A truck driver's daughter who grows up in the front seat of her father's truck, Jo shares her father's love of country music, junk food, and the open highway. Jo's life is a perfect slice of Americana, except that their "open road" is in England, and her father--the gentle, melancholy Bobby Pickering--is from Northern Ireland. The only truly American thing about Jo is her mother, whom she has never met.

Jo is twelve when she and Bobby pick up hitchhiker Cosima Stewart, an American country singer whose band is touring England. They become dedicated fans, and Cosima, touched by the unlikely duo, comes to regard Jo with an indulgent, even sisterly, eye.

But when Jo is sixteen, Bobby sinks into serious despair and Jo seeks refuge in Cosima and the band. When Bobby disappears, Jo's adoration becomes obsessive as she follows her idol all the way to California. Here, in the sweltering Mohave Desert and alone for the first time, Jo must face the painful truths of her own life, the mother she has never known, and the father she can't force from her mind. With shades of Zadie Smith and Mark Haddon, Albyn Leah Hall's powerful debut is a page-turning study of what frightens us about one another and ourselves; of how we run away and what we can't, ultimately, escape from.

From reader reviews:

Christopher Mills:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great along with important the book The Rhythm of the Road: A Novel. All type of book are you able to see on many solutions. You can look for the internet resources or other social media.

Thanh Johnson:

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want sense happy read one together with theme for entertaining for instance comic or novel. The particular The Rhythm of the Road: A Novel is kind of book which is giving the reader capricious experience.

David Byrd:

That guide can make you to feel relax. This kind of book The Rhythm of the Road: A Novel was vibrant and of course has pictures on the website. As we know that book The Rhythm of the Road: A Novel has many kinds or variety. Start from kids until teens. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore , not at all of book tend to be make you bored, any it can make you feel happy, fun and relax. Try to choose the best book in your case and try to like reading in which.

Alissa Sowell:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Rhythm of the Road: A Novel can make you sense more interested to read.
