As You Like It is one of the greatest comedies ever written--but let's face it..if you don't understand it, then you are not alone. This annotated book includes a summary of each scene, an overview of themes and characters. It does not include the play. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
