**'For Us It Was Heaven': The Passion, Grief and Fortitude of Patience Darton (Caniada Blanch/Sussex Academic Studies on Contemporary Spain)** Angela Jackson

“This is a biography of many facets offering a wealth of insight and textual content of particular relevance in the context of gender studies. It tells us much of the status of nurses in Britain in the 1930s. It is also an important contribution to the history of the International Brigades and the Republican medical services in the Spanish civil war and adds nuance to our knowledge of foreigners in China in a turbulent period of its history. The story of Patience will surely appeal to many general readers as well as to specialists in those fields.” From the Preface by Series Editor Paul Preston
