The Price of Purity: Control Freak Olivia Hawthorne

Katie Haines was a sheltered child. Raised by a single mom – and deserted by a reckless father – she'd never been allowed to date, never been allowed to dress provocatively and never been allowed the chance to find her first love. Her mother's insanity had stolen her childhood and her life had been caged until the day she turned eighteen and left home to attend college and finally forge her own path.

Katie would soon learn that student loans only paid for so much. Although books and tuition were covered, she still had to earn enough to live in the dorms.

Taking any job she could find, she cleaned pools over the summer, enjoying the sun on her skin and the freedom of living on her own.

But the day that naïve Katie stepped into Oliver Black's backyard would change everything. A self made billionaire, a man who knew what he wanted and knew how to get it - Oliver was instantly intrigued by the innocent young woman he'd found in his backyard.

He wanted her purity...

She wanted a life of her own...

Together they'd agree to a contract that would bind Katie's agreement with the devil himself...

Will Katie be able to escape Oliver's insatiable needs? Or will the price Oliver offers be too much for Katie to refuse?

The Price of Purity: Control Freak is the first in a series of novellas in the Billionaire series.
