Three Years Dead A. D. Davies

When a good man... becomes a bad cop... but can't remember why.

Following an attempt on his life, Detective Sergeant Martin Money wakes from a week-long coma with no memory of the previous three years. He quickly learns that corrupt practices got him demoted, violence caused his wife to divorce him, and his vices and anger drove his friends away one by one. On top of this, the West Yorkshire Police do not seem to care who tried to kill him, and he is offered a generous pay-out to retire.

But with a career lifeline offered by a former student of his, Martin takes up the case of a missing male prostitute, an investigation that skirts both their worlds, forcing him back into the run-down estates awash with narcotics, violence, and sex, temptations he must resist if he is to resume his life as the good man he remembers himself to be.

To stay out of jail, to punish whoever tried to kill him, and to earn his redemption, Martin attempts to unravel the circumstances of his assault and, more importantly, establish why everyone from his past appears to be lying at every turn.

Author A. D. Davies follows up his acclaimed debut page turner "His First His Second" with this gritty, fast paced crime thriller, charting the dark places a corrupt cop will go to, to chase a past that nobody wants him to recall.

Pick up this gripping edge of your seat suspense novel today!

From reader reviews:

Stephanie Rodriguez:

The book Three Years Dead can give more knowledge and also the precise product information about everything you want. Exactly why must we leave a good thing like a book Three Years Dead? A number of you have a different opinion about publication. But one aim that will book can give many facts for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or information that you take for that, you are able to give for each other; you may share all of these. Book Three Years Dead has simple shape however you know: it has great and large function for you. You can seem the enormous world by wide open and read a guide. So it is very wonderful.

Eloise Torres:

Nowadays reading books become more and more than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with education books but if you want truly feel happy read one using theme for entertaining such as comic or novel. Typically the Three Years Dead is kind of publication which is giving the reader capricious experience.

William Fiscus:

The reason why? Because this Three Years Dead is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret this inside. Reading this book adjacent to it was fantastic author who all write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the reserve store hurriedly.

Donald White:

Do you really one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Aim to pick one book that you just dont know the inside because don't judge book by its deal with may doesn't work the following is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer may be Three Years Dead why because the wonderful cover that make you consider regarding the content will not disappoint an individual. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.
