What happens when three irresistibly sexy brothers lose a poker bet to their enterprising sister? They get hired out for her housecleaning venture. Now, the Manley Maids are at your service. Satisfaction guaranteed. It's what a woman gets...

Business owner Liam Manley has no patience for women like Cassidy Davenport—women happy to spend a man's money without giving a thought to any actual work. But to make good on his bet, Liam must not only tolerate the couture-clad socialite, he'll have to clean up after her. Until Cassidy's father suddenly cuts off her finances. With no money and no home for Liam to clean, Cassidy has no choice but to accept a job offer—as Liam's new maid...

Liam is eager to teach her a lesson about the real world, but he winds up learning a few things himself. Free from her father's influence, Cassidy can finally pursue her own life, and winds up showing Liam how resourceful and determined she can be. Not to mention how sexy she is with (or without) that designer wardrobe. But when sparks fly between them, will it be true love...or just another messy affair?
