Maine Lodges and Sporting Camps (ME) (Images of America)

Donald A. Wilson

Maine Lodges and Sporting Camps (ME) (Images of America) Donald A. Wilson

Beginning in the mid-1800s and lasting for more than a century, Maine boasted a large number of lodges and sporting camps that catered to the pursuit of outdoor activities. While the primary interests of guests were fishing and hunting, many of the larger, more expensive resorts offered a variety of opportunities, including golf, horseback riding, tennis, boating, archery, and hiking, and some boasted gourmet dining and elegant parties. While some of these establishments survive, many have been demolished, existing only in memory and in photographs. Maine Lodges and Sporting Camps tells the story of the most prominent destinations, featuring nearly two hundred historic images that depict the life that existed when Maine was a sportsman's paradise, abounding in trophy game and fish.
