Persecution: How Liberals Are Waging War Against Christianity David Limbaugh

In this *New York Times* bestseller, David Limbaugh exposes the liberal hypocrisy of promoting political correctness while discriminating against Christianity. From the elimination of school prayer to the eradication of the story of Christianity in America from history text-books, this persuasive book shows that our social engineers inculcate hostility toward Christianity and its values in the name of "diversity," "tolerance," and "multiculturalism."

Limbaugh explains through court cases, case studies, and true stories the widespread assault on the religious liberties of Christians in America today and urges Christians to fight back to restore their First Amendment right of religious freedom.
