## **What do you do when you wake up in a hospital with no memory?**

John is a young man in the prime of his life.

He wakes to find that he had been in an accident

They found no identification on him and they don't have any idea who he is. He is given the moniker John Doe.

The authorities have run him through the system but no matches have come back.

Nobody has come to claim him in the town of brotherly love.

He is soon visited by the hospital administration and apparently he has a bill that is over thousands of dollars.

He has no idea what to do or who to reach out to, until **Bruce** comes to the rescue.

**He agrees to take the young man under his wing.**
