Do you feel like your efforts to live a successful life are in vain?

The natural or effortless way of living is very easy to apply, because it is intrinsically imprinted upon our being. It is all about harnessing the power of intention, the law of non-interference, and having respect for opposing forces. We forget our natural way of being, however, because we are taught that life is a struggle and that we should find it challenging to live a better life. Then, we become so deeply identified with the struggle of "how to be successful" that we forget who we truly are and how to find our place in this world through the natural way of living.

Are you tired of reading books about the Law of Attraction only to find it's still not working?

We struggle when we want to manifest something with which we do not resonate subconsciously. In other words, we may consciously desire something in life, but our subconscious mind can sabotage our efforts. Read *The Natural Way of Living: How to Effortlessly Manifest Your Goals, Why the Law of Attraction Does Not Work* and learn how to making simple shifts can increase your power and awareness and start manifesting your dreams into reality!
