## **Food Trucks: Dispatches and Recipes from the Best Kitchens on Wheels** Heather Shouse

With food-truck fever sweeping the nation, intrepid journalist Heather Shouse launched a coast-to-coast exploration of street food. In *Food Trucks*, she gives readers a page-by-page compass for finding the best movable feasts in America.

From decades-old pushcarts manned by tradition-towing immigrants to massive, gleaming mobile kitchens run by culinary prodigies, she identifies more than 100 chowhound pit-stops that are the very best of the best. Serving up everything from slow-smoked barbecue ribs to escargot puffs, with virtually every corner of the globe represented in brilliant detail for authentic eats, *Food Trucks* presents portable and affordable detour-worthy dishes and puts to rest the notion that memorable meals can only be experienced in lofty towers of haute cuisine.

The secrets behind the vibrant flavors found in **Vietnamese banh mi sandwiches**, **Hungarian paprikash**, **lacy French crepes**, and global mash-ups like **Mex-Korean kimchi quesadillas** are delivered via more than 45 recipes, contributed by the truck chefs themselves. Behind-the-scenes profiles paint a deeper portrait of the talent behind the trend, offering insight into just what spawned the current mobile-food concept and just what kind of cook chooses the taco-truck life over the traditional brick-and-mortar restaurateur route. Vivid photography delivers tantalizing vignettes of street food life, as it ebbs and flows with the changing demographics from city to city.

Organized geographically, *Food Trucks* doubles as a road trip must-have, a travel companion for discovering memorable meals on minimal budgets and a snapshot of a culinary craze just waiting to be devoured.
