Secrets

Johnny Bullard

Secrets Johnny Bullard

“Secrets” takes up where “Nightshade” left off in the sleepy town of Seraph Springs in north central Florida. This continuing saga of hope, struggle, victory and triumph in the Deep South will reveal a multitude of intimate secrets that have long been held deep inside the hearts of many of the characters you came to love in “Nightshade”. Their intriguing secrets and life-consuming passions have been hiding within the moss-festooned, fertile land of tall pines, scrub palmettos, white sand roads and dark rivers of Seraph Springs. They have been whispering in the shadows and are now ready to come into the light. Author Johnny Bullard will have you laughing, crying and fully experiencing the agony and ecstasy that is the secret of nightshade; strikingly beautiful, deadly poisonous, and liberating.

From reader reviews:

Ana Lopez:

What do you think of book? It is just for students because they're still students or that for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has various personality and hobby for each other. Don't to be forced someone or something that they don't want do that. You must know how great as well as important the book Secrets. All type of book would you see on many solutions. You can look for the internet resources or other social media.

Patrice Gasaway:

As people who live in the actual modest era should be update about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you is you don't know what kind you should start with. This Secrets is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Roger Bennett:

Information is provisions for individuals to get better life, information nowadays can get by anyone with everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is inside former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Secrets as the daily resource information.

Anna Baron:

The actual book Secrets will bring you to the new experience of reading the book. The author style to clarify the idea is very unique. In case you try to find new book to study, this book very ideal to you. The book Secrets is much recommended to you to see. You can also get the e-book from your official web site, so you can more readily to read the book.
