Breakout. Escape the City. Stay Alive.

Sixteen-year-old David Simmons is on a mission to save his eight-year-old sister. Trapped in a city filled with walking cadavers, the survivors of Simmons infantry reserve unit are going hatches down in a pair of armored personnel carriers and everyone knows that it's only a matter of time until their fuel runs dry. There's a weak short wave radio signal from a place called Sanctuary Base and it's supposed to be zombie-free. But there's more than a thousand miles to cover, a biting, unforgiving cold, armed survivalists, legions of the living dead and someone called SUNRAY.

They're outgunned, outnumbered and out of time.

This tense young adult thriller offers a terrifying vision of survival in a post-apocalyptic world where the bonds of friendship and family are the only things left that are worth fighting for.

“Sean Cummings is a master of the dark fantastic. His writing brims with soul, guts, and a dark wit sharp enough to draw blood.”
- Chris Holm, author of The Killing Kind.
