Mara James has always been a perfectionist with a plan. But despite years of overachieving at her elite school, Mara didn't plan on having a total meltdown during her calculus exam. Like a rip-up-the-test-and-get-escorted-out kind of meltdown. And she definitely didn't plan on never wanting to show her face again.

Mara knows she should go back, only she can't bring herself to do it. Because suddenly she doesn't know *why* she's been overachieving all these years. So Mara tells her mom she wants to go live with her estranged dad in Tahoe. Maybe in a place like Tahoe, where people go to get away from everyday life, and with a dad like Trick McHale, a ski bum avoiding real life, Mara can figure things out.

Except Tahoe is nothing like she thought it would be. There are awesome new friends and a chance to finally get to know Trick, but there are also still massive amounts of schoolwork. Can Mara find a balance between the future and the now, or will she miss out on both?

From reader reviews:

Carl White:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The data you get based on what kind of reserve you read, if you want have more knowledge just go with education books but if you want experience happy read one along with theme for entertaining including comic or novel. The actual The Possibility of Now is kind of reserve which is giving the reader unpredictable experience.

Gwendolyn Harrison:

Exactly why? Because this The Possibility of Now is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book have such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

Trisha McClain:

Playing with family within a park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Possibility of Now, it is possible to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't get it, oh come on its known as reading friends.

Harry Barnes:

Is it you who having spare time after that spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This The Possibility of Now can be the response, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
