The law of attraction is the Universal Law that states like attracts like. More than likely you have heard of this law and even are currently practicing and applying the principles associated with the law of attraction however you have yet to see the results that you are looking for. You probably have questions like why didn't God and the universe answer my prayers? I'm meditating but nothing is happening, why? I'm affirming and doing everything the book said, but nada, zilch, nothing. You might be thinking "this stuff just doesn't work for me." This all boils down to the same thing, you want something from the Creative Energy and you can't seem to get it. The question is why? What are you not doing? Or better yet, the right question to ask might be, "what am I doing?"

In his book entitled Banned Law of Attraction Secrets author Daniel Smith gives you the reasons why the law of attraction is not working for you and he shows you the common mistakes people make that violate this very universal law. He also provides you with the solutions for correcting these mistakes that will put you on the path of manifesting your dreams and living a healthier and happier life full of abundance.
