## **Crash and Burn (Love You Like A Love Song) (Volume 1)** Michele Callahan

Every love story should have its own song... A childhood promise has Chance Walker picking up a guitar once again. Sure, he's been busy growing up, finishing college, and even law school. He made a promise to his dying mother and he's determined to keep it. While his guitar playing dreams were big when he was a kid, his skill is rusty and he hires Erin Michaelson to bring music back into his life. Not only is she incredibly talented, she's one of the sexiest women he's ever met. It's hard to focus on correct finger position when her sweet scent threatens to drive him out of his mind. Less than twenty-four hours after his first lesson he sees her again, but this time she's on stage using another name and seducing an entire audience of men. He played the gentleman card once, and it got him nowhere. This time, all bets are off and he'll do whatever it takes to keep her. A single, sizzling backstage kiss will change both of their lives forever, because Chance soon realizes that Erin is not just an itch, she's an obsession that he refuses to live without. Erin Michaelson spends her days teaching guitar and her nights on stage as her sexy alter-ego, Eva James. Music is her dream, her passion. All she wants is to say goodbye to a lifetime of scraping by, working two jobs, and paying for past mistakes. When a major record label exec hears her band play, she gets her big break. But life can be a real bitch, and meeting Chance now is just bad timing. Problem #1: The record label wants her to dump her band and move to L.A. Problem #2: She hadn't counted on Chance Walker and the scorching heat of that first kiss. And last but not least is Problem #3: Is Chance really falling in love with the dull guitar teacher, or is he really just lusting after the sexy Eva James? Will success make all of Erin's dreams come true? Or will falling in love make them both crash and burn? Crash and Burn is a scorching hot, contemporary, new adult romance of 58,000 words. The story contains explicit love scenes and is intended for an adult audience. Coming soon, fall in love with the other Walker brothers in *Alone With You* (Feb 2016), *Up All Night* (Mar 2016) and *Make Me Forget* (April 2016).
