Crystal Healing: A Beginners Guide to Self Healing Crystal healing is an alternative healing therapy. Healing with crystals is believed to have originated in Egypt thousands of years. Stones, gems, amulets have been seen as healing tools and were highly revered by civilizations globally. Crystals are placed on or around the body and they are used to heal the body physically, mentally and spiritually. Crystals can transmit crystal energy, other healing energies and energies tuned into by intention. Many people use the crystals for increasing the healing intention by calling in love with the idea that any time you wish a person well you create a flow of healing energy. In this eBook you will learn about crystal healing, its basics, how it helps in healing and different techniques of healing through crystals.
