## **Information Anxiety** Richard Saul Wurman

A follow up to the first edition, Information Anxiety 2 teaches critical lessons for functioning in today's Information Age. In this new book, Wurman examines how the Internet, desktop computing, and advances in digital technology have not simply enhanced access to information, but in fact have changed the way we live and work. In examining the sources of information anxiety, Wurman takes an in-depth look at how technological advances can hinder understanding and influence how business is conducted.
