**Life on 2 wheels (Life on 2 wheels Part 2 out of 3, South and Central America)** Sjaak Lucassen

This book tells the story of Sjaak Lucassen who spent more than five years crisscrossing the world on a Yamaha R1. Sjaak covered nearly 250,000 km, passed through 75 countries and had countless adventures. 'Life on 2 wheels' gives you the opportunity to live through this marathon journey. Sjaak takes you to the far corners of the earth with his travel stories and healthy dose of humour.

Part 2 – out of 3 – covers about 1½ year of his travel in which he left the comfort of his home in Europe and started traveling, taking time as his friend. After crossing 27 countries in Africa (part 1) he traveled through all the South and Central American continental countries in this part 2.

The book was originally released in the Netherlands in 2010 and is now in the process of being translated. Money generated via Kindle will contribute in the costs for translating and – later on – for a printed version.
