History comes down to us from the winners. And when we encounter the same same story over and over again, we begin to wonder, who wrote the story, anyway? Was it the people who lived it, or was there another agenda? Well, I'm Edward's daughter, digging through his life. The biographies of the last three Kings of the United Kingdom were written from a Globalist agenda--not simply telling the Truth how things went. ... I'm the daughter here to tell you, it was different than you heard officially, and my father was not what they say he was because he didn't know the difference between a capitalist and a Nazi. Well, I do know the difference--even if the UK Monarchy no longer does. And I'm here to tell you, things were not as they seemed.
