The Dead Letter Seeley Regester

A love triangle turns deadly in the first full-length detective novel by an American author

Published a decade prior to Anna Katharine Green's *The Leavenworth Case* (1878), *The Dead Letter* concerns the murder of Henry Moreland, whose body is found just a few steps from the home of John Argyll, Esq. Moreland was engaged to Argyll's daughter, Eleanor, and suspicion soon falls upon the lawyer's protégé, Richard Redfield. Desperate to clear his name, Redfield seeks the help of Mr. Burton, a famous New York City detective—but the case has more twists and turns than either of the two men could possibly imagine.

Set against the political turmoil of the Reconstruction Era, *The Dead Letter* is a fascinating historical document, a pioneering work of genre fiction, and a mystery with a cleverly satisfying conclusion.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Natalie Renz:

This The Dead Letter is brand-new way for you who has interest to look for some information because it relief your hunger of information. Getting deeper you on it getting knowledge more you know or you who still having tiny amount of digest in reading this The Dead Letter can be the light food for you personally because the information inside this book is easy to get simply by anyone. These books build itself in the form which can be reachable by anyone, yeah I mean in the e-book application form. People who think that in book form make them feel tired even dizzy this e-book is the answer. So there is absolutely no in reading a book especially this one. You can find what you are looking for. It should be here for you. So , don't miss that! Just read this e-book style for your better life and knowledge.

Donna Graham:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Dead Letter can make you experience more interested to read.
