The Highly Sensitive Person Elaine N. Aron Phd **Are You A Highly Sensitive Person?**

Do you have a keen imagination and vivid dreams? Is time alone each day as essential to you as food and water? Are you "too shy" or "too sensitive" according to others? Do noise and confusion quickly overwhelm you? If your answers are yes, you may be a Highly Sensitive Person (HSP).

Most of us feel overstimulated every once in a while, but for the HSP, it's a way of life. In this groundbreaking book, Dr. Elaine Aron, a clinical psychologist, workshop leader, and an HSP herself, shows you how to identify this trait in yourself and make the most of it in everyday situations. Drawing on her many years of research and hundreds of interviews, she shows how you can better understand yourself and your trait to create a fuller, richer life. Updated with a new Author's Note, including the latest scientific research, and a fresh discussion of anti-depressants for HSPs, this edition of *The Highly Sensitive Person* also includes:

- Self-assessment tests to help you identify your particular sensitivities
- Ways to reframe your past experiences in a positive light and gain greater self-esteem in the process
- Insight into how high sensitivity affects both work and personal relationships
- Tips on how to deal with overarousal
- Information on medications and when to seek help
- Techniques to enrich the soul and spirit

"Elaine Aron's perceptive analysis of this fundamental dimension of human nature is must reading. Her balanced presentation suggests new paths for making sensitivity a blessing, not a handicap." —Philip G. Zimbardo, author of *Shyness*

"Enlightening and empowering, this book is a wonderful gift to us all." —Riane Enslar, author of *The Chalice and the Blade*

From reader reviews:

Margaret Burton:

This book untitled The Highly Sensitive Person to be one of several books which best seller in this year, that's because when you read this reserve you can get a lot of benefit on it. You will easily to buy this particular book in the book retailer or you can order it via online. The publisher on this book sells the e-book too. It makes you quicker to read this book, because you can read this book in your Touch screen phone. So there is no reason for you to past this e-book from your list.

Sean Scruggs:

The publication untitled The Highly Sensitive Person is the guide that recommended to you to see. You can see the quality of the e-book content that will be shown to anyone. The language that creator use to explained their way of doing something is easily to understand. The article writer was did a lot of study when write the book, to ensure the information that they share to you personally is absolutely accurate. You also can get the e-book of The Highly Sensitive Person from the publisher to make you considerably more enjoy free time.

Mary McDonald:

The reason? Because this The Highly Sensitive Person is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who all write the book in such wonderful way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Richard Mendoza:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Highly Sensitive Person can make you truly feel more interested to read.
