## **Crazy Horse & the Custers** William Heyen

With 270 poems by William Heyen and 33 full-page lithographs by DeLoss McGraw this book is bold, unique, and enlightening. McGraw's paintings are visionary and beautifully attuned to the spirit of Heyen's extraordinary and often mystic poetry.

"... the collision of the two cultures at the climactic 1876 fulcrum battle is at the center of the history & the poetry of North America. Stillness & Electricity together know this, dream this, attempt to suggest by way of sound & concentrated story at least some small part of this."

Edwina Seaver
