The way we move through life is always a choice. Where do you want to go? With Michael Bernard Beckwith's Life Visioning Process, it is possible to follow a specific series of spiritual practices that allows our unique gifts and talents to find expression. On The Life Visioning Process, this charismatic voice and founder and spiritual director of Agape International Spiritual Center presents his first audio course on this powerful process of self-evolution. Expanding on the breakthrough ideas he shared in the hit film The Secret, Beckwith now invites us on a journey through the central practices of the Life Visioning Process, exploring: the stages of spiritual evolution, and the Inner technologies that serve our progress: how to activate the courage to "break your agreement with mediocrity" by catching the higher vision for your life; Life Structures - the fundamental arenas of life - and how to enhance with them meditation, affirmative prayer, alignment with the governing principles of the universe; and more.
