Save Your Marriage: What a Divorce Will REALLY Cost You and Why You Should Avoid It If You Can (Growing in Love for Life Series Book 3) Liam Naden

This book can save your marriage - and a fortune....

What's the biggest regret of anyone who's been through a divorce?

They had NO IDEA what it was going to cost them. Not just financially but in every area of their life.

If you are considering ending your marriage, before you pick up the phone to any divorce lawyer - read this book.

You'll learn:

- How to calculate the true financial costs of a divorce... prepare to be surprised!
- The 'hidden' costs of divorce - almost 99% of people have no idea about these
- The 3 things that a divorce is going to cost you for years to come (possibly for the rest of your life)
- The impact a divorce will really have on your children and how to minimize the effects on them
- The two things that could save your marriage (that you probably haven't considered)

and much more.

Many people see divorce as the only way to solve their marriage problems. But it could be the worst decision you ever make.

This book will help you understand the real costs of divorce and help you to make the right decision for you and your family.
