With words sweet like honey and calculated moves that makes any man surrender to her will, Skylar McNeil, also known as Sky, goes from rags to riches by conning, scheming, and scamming. She will stop at nothing to get what she wants even if it means double crossing the only person who has been there for her.

Then Sky meets Jules, a young hustler in the streets of the south. Sky and Jules hit it off and partakes in any and everything to keep their heads above water. Jules gets comfortable with his street mentality but he lacks ambition and doesn't understand Sky has other plans for her life. Their relationship takes a turn when they are on the run from the police back in the south and flee to the big apple, New York City.

One date with destiny changes Sky's life forever when she meets Sincere. Sincere is Sky's dream man; he has it all: Money, power, respect and good looks. He's a rude boy with street credibility and money long enough to buy the entire city of New York if he wants to. Only thing is, he's married to the money and his loyalty relies on dollars signs.

Sincere is more faithful to riches, than his wife at home who has bared him two children. Skylar becomes his rider and she's willing to ride the empire Sincere has built until the wheels falls off even if that means riding as his side chick. Sky will stop at nothing to get what she wants. She's on a mission and she's ready to double cross any and everybody to get it. Will Sincere, New York's finest boss nigga be Sky's saving grace or will he be Sky's curse?
