The Initiates of the Flame Manly P. Hall

Written in 1922, when Manly P. Hall was just 21 years old, 'The Initiates of the Flame' illustrates the great spiritual thread of living fire that winds in and out through all the religions and binds them together with mutual ideals needs -- that there is one religion in all the world, and that is the worship of God, the spiritual Flame of the universe -- 'Under many names He is the same, the Creator of the universe, and fire is His universal symbol.' A deeply personal and uplifting work, it reveals that we are part of the Brotherhood of all life, all part of the Infinite. Illustrated.
