## Modern-day prophets—really?

Are there modern-day prophets? Or are prophets relegated to by-gone Bible days? The answers in this book may surprise you!

*Modern-Day Prophet* stirs up a lot of spiritual questions such as:

- What does prophetic really mean?
- Do you attend a prophetic church?
- Does your worship team move in the prophetic?
- Does the prophetic label lean toward elitism or cultism?

Prophet and Pastor Dr. Mark J. Chironna answers these questions and many more based solidly on Scripture and personal experiences. Well-known for his inspirational insights and diverse discussions into the spiritual realm, *Modern-Day Prophet* follows in a steady progression of his other popular and widely-read books.

Topics in this book include:

- The Ascension Gifts
- The Prophetic in Context
- The Person of the Prophet
- The New Apostolic Reformation

The prophetic need not be mysterious, confusing, or a source of contention—it is a unique aspect of God's rich kingdom that you can be part of and from which you can reap great rewards.
