The Way of the Bodhisattva (Shambhala Library) Shantideva

Treasured by Buddhists of all traditions, *The Way of the Bodhisattva (Bodhicharyavatara)* is a guide to cultivating the mind of enlightenment and to generating the qualities of love, compassion, generosity, and patience. This text has been studied, practiced, and expounded upon in an unbroken tradition for centuries. Presented in the form of a personal meditation in verse, it outlines the path of the Bodhisattvas—those who renounce the peace of individual enlightenment and vow to work for the liberation of all beings and to attain buddhahood for their sake.

This version is translated from the Tibetan and includes a foreword by His Holiness the Dalai Lama, a translator's preface, a thorough introduction, a note on the translation, and three appendices of commentary by the Nyingma master Kunzang Pelden.
