**WARNING: ADULT CONTENT INSIDE!**

A young girl is mysteriously transported from her small town right into the epicenter of a civilization, where people from different parts of the planet understand each other from the very first glance. Foreign languages is not something they trouble themselves with. They communicate with their eyes. And this is just one tiny peculiarity of the top-secret Project. Participants are provided with utopian living conditions. Will the heroine manage to find happiness in such an unusual scenario? Will she be successful in her personal life? How do time and circumstances change people and their relationships? You will find answers to these questions and many others -in the pages of this book. It will also make each and every one of you ponder over your happiness and give honest answers to yourselves.

I believe some day this book become a movie script for one spic movie.

Have fun!
