Smear Tactics: The Liberal Campaign to Defame America Brad Miner

In this spirited survey of liberal lies and dirty tricks, Brad Miner, one of America's leading conservative insiders, offers a look at the American liberal tradition of slander, insult, and character assassination throughout history. *Smear Tactics* mines both today's papers and the classic campaigns of history for tales of liberal deception and manipulation. Tracing smears from the early days of our nation right through the run-up to the 2008 elections, Miner highlights the Left's most atrocious campaigns against:

- **Soldiers:** The media's attacks on our troops, from Vietnam to Iraq
- **The Faithful:** The Left's campaign to vilify Christians in American life
- **Entrepreneurs:** Is the American Dream dead? The Left says yes, and Girl Scout cookies, Wal-Mart, and Legos have all played a part.
- **President Bush:** He caused global warming and Hurricane Katrina? Smears against the man the Left loves to hate.

As Brad Miner shows, American politics has never been a sport for gentlemen—but recent campaigns have proven dirtier than ever, full of negative ads, rumormongering, and worse. With the coming election a wide-open race, full of polarizing candidates of all stripes, the mud is about to start flying across the American landscape, and in *Smear Tactics* Brad Miner returns the fire—with a vengeance.
