## **The One That Got Away** Charlotte Roth

It all starts with Facebook and a pair of deflated boobs... Helen, a married, middle-aged woman, clicks on a high school reunion site on Facebook and finds herself staring at pictures of Rob—the old boyfriend—and his perfect life. When she learns he's going to a mutual classmate's wedding in Rome, she decides to go. But when she finally looks into Rob's sexy and familiar eyes, she's overwhelmed—afraid where her rekindled emotions will take her in the City of Love. When her husband shows up unannounced and confronts her, Helen runs away—drunk and confused—and spends the next few days roaming the streets of Rome, wrestling with past feelings come to life in the present tense. When Rob suddenly reappears, looking more handsome than ever, her cold feet thaw. It only takes one small kiss from him and suddenly she stands to lose everything. Contrasting everyday life in gray, cloudy Seattle with sunny, romantic Rome, *The One That Got Away* is about the search for love and validation, and the perfect life—fueled by the Hallmark card images on Facebook where everyone is happier, prettier, and skinnier.
