The new audiobook edition of this best-selling book gives a thorough and accessible account of the history behind the Palestine-Israeli conflict, its roots, and the possibilities for the future. The audiobook is divided into two parts - the first by an American rabbi and Professor of Judaism, and the second by a Palestinian lecturer on Islam. The result is a real insight into the situation, with each author giving full vent to the emotions behind the two sides of the debate - Cohn-Sherbok and El-Amini come together at the audiobook's conclusion to debate the issues, and offer real solutions to which future peace talks may aspire.
