The True Third Secret of Fatima Revealed & The Return of Christ Rocha Nefwani

The True Third Secret of Fatima and the Return of Christ denounces the Vatican for having covered up for more than 40 years the news that Christ returned.

Born among "the most despised people on earth". He repeatedly demonstrated His power over life and death, and left the earth in 1984, after saying farewell to a large, cheering African crowd. He left behind a small newly-seeded Church whose membership has since grown rapidly.

Christ rebirth was announced in 1917 in Fatima, Portugal, by the apparition who appeared to three shepherd children. This apparition was officially declared by the Roman Catholic Church to have been Mary, Christ's mother. A crowd of between 70,000 and 100,000 people witnessed a very great miraculous phenomenon, which she told the children she would provide as an omen of her presence.

She instructed the 3 children to keep the 3rd secret message she had told them secret, until a certain time. In 1944, One of the surviving children, Lucia dos Santos, now a Catholic nun, wrote the 3rd secret down on a single sheet of notepaper, of 23 lines. She said that the secret was to be disclosed to the world by the Holy See in 1960. However, when those lines were read privately to Pope John XXIII in late 1959, he fainted and ordered the secret sealed up "forever." The Vatican issued a statement that it "could not take responsibility for the veracity of the message."

This secret was uncovered through a three-day revelation given to the book's author, to whom the returned Christ, about whom the author had already heard of, appeared to the author in 1983 and direct the author to write this book. With the returned Christ's guidance, 18 years of research materials and facts added to the revelation, the book substantiates through Biblical reference and historical, sociological, and geographical facts, the message in those 23 lines written by Lucia dos Santos.

The book contradicts the banal press release contrived by the Vatican, presented for the long-awaiting public, in May of 2000, in Fatima, Portugal--which claims visions of a suffering "Bishop clothed in white" and reinforces the institutional self-pity the Roman Catholic Church demands of its membership.

The intent of the True 3rd Secret of Fatima is meant to revolutionize humanity.

The book also describes the origins of Christianity and the location of the mythologized "lost tribes of Israel." It shows Biblically where the actual "center of the world" is, some distance from the present-day-jerusalem. It also redirect people to the location of the New Jerusalem and where on earth, Christ will descend the last time and finish establishing His Kingdom.

With research and documentation, THE TRUE THIRD SECRET OF FATIMA REVEALED AND THE RETURN OF CHRIST challenges the Vatican as well as religious scholars to disprove this revelation contrary.

Ideal book for individuals, families, and institutions interested in learning what official histories have obscured and what the future hold.

The True Third Secret of Fatima and the Return of Christ is an instrument for Christ reclaiming His True Identity.

This book was predicted by Prophet Simeon Kimbangu on September 10, 1921 in Mbanza-Nsanda, Kingdom of Kongo. For announcing the rebirth of Christ, Prophet Kimbangu was jailed for 30 years and died in his jail cell. *****
